Asbestos Inspection Certification

SECTION 110.3 of the Virginia Uniform Statewide Building Code requires the submission of an asbestos inspection certification prior to the issuance of a building permit allowing a building to be renovated or demolished. The asbestos inspection certification must state that the building has been inspected for asbestos and that appropriate response actions will be undertaken in accordance with the standards developed pursuant to the asbestos provisions of the CODE OF VIRGINIA.

EXEMPTION: This requirement does not apply to single-family dwellings or to residential housing with four or fewer units.

Asbestos Certification

Asbestos certification issued pursuant to an application for building, demolition, electrical, mechanical, or plumbing permit. (Code of Virginia, Section 36.99.7)

Certification

I, _____, am the owner (or the owner's agent) of the building listed above and I certify that the building or affected portions of the building has been inspected for asbestos in accordance with the Virginia Uniform Statewide Building Code (VUSBC). I further certify that appropriate response actions will be undertaken as required by Section 110.3 of the VUSBC.

- ☐ No asbestos was detected.
- ☐ Asbestos was detected and response actions to abate any risk to human health have been completed.
- ☐ Asbestos was detected and response actions to abate any risk to human health have been or will be undertaken as a part of the renovation or demolition.
- ☐ The renovation or demolition project consists only of repair or replacement of roofing, floor covering, or siding materials. The materials to be repaired or replaced are assumed to contain friable asbestos and that asbestos installation, removal, or encapsulation will be accomplished by a licensed asbestos contractor
- ☐ Initial building permit was issued after January 1, 1985. Therefore an asbestos inspection and certification are not required by Section 110.3.
- ☐ The building is exempt from Section 110.3 and § 36-99.7 (C) based on quantities.
